

Student Presentations

Under supervision of current faculty. Students are marked by *

2008

*Vevea, J. L., & Citkowicz, M. (2008, July). *Inference and estimation using conditionally random models: A Monte Carlo study*. Paper presented at the annual meeting of the Society for Research Synthesis Methodology, Corfu, Greece.

2009

Vevea, J. L., & *Citkowicz, M. (2009, July). *Fixed-effects inference in the presence of heterogeneity*. Paper presented at the annual meeting of the Society for Research Synthesis Methodology, Seattle, Washington.

*Citkowicz, M., & Vevea, J. L. (2009, May). *Conditionally random inference in meta-analysis: A Monte Carlo study*. Poster presented at the annual convention of the Association for Psychological Science, San Francisco, California.

2010

Vevea, J. L., & *Citkowicz, M. (2010, July). *Meta-analysis of growth curves from sample means*. Paper presented at the annual meeting of the Society for Research Synthesis Methodology, Cartagena, Spain.

Wallander, J.L., *Fradkin, C., Elliott, M.N., Banspach, S., Caughy, M., Chien, A.T., Davis, S., Franzini, L., Mrug, S., & Schuster, M.A. (Jun., 2010). *Quality of life differences among African American, Hispanic, and White boys and girls in a community sample when controlling for socio-demographic status*. Paper presented at the 19th World Congress of the International Association and Child and Adolescent Psychiatry and Allied Professions and the 6th Congress of the Asian Society for Child and Adolescent Psychiatry and Allied Professions, Beijing, China.

Wallander, J.L., *Fradkin, C., (Aug., 2010). *Disparities in Quality of life and well-being among Hispanic, African-American, and White children are due mainly to sociodemographic differences*. Paper presented at the International Congress of Behavioral Medicine, Washington, D.C..

Wallander, J.L., *Fradkin, C., (Aug., 2010). *Quality of life in African American, Hispanic, and White children with and without compromised health status*. Paper presented at the International Congress of Behavioral Medicine, Washington, D.C..

2011

*Citkowicz, M., & Vevea, J. L. (2011, March). *Modeling publication bias using the beta density*. Paper presented at the semi-annual meeting of ACCQUIRE (A California Consortium for Quantitative Research and Education), Merced, California.

*Citkowicz, M., & Vevea, J. L. (2011, July). *A parsimonious weight function for modeling publication bias*. Paper presented at the annual meeting of the Society for Research Synthesis Methodology, Ottawa, Ontario, Canada.

Michael, A. H., Bower, E. J., *Corona, R., Irwin, R. M., Scott, S., Stanton, L. A., & Thomas, K. (2011). *Diurnal cortisol rhythm and urinary function in prostate cancer patients*. Presented at the Annual Meeting of the American Psychosomatic Society, San Antonio, TX.

2012

- Song, A.V. & *Skorek, M. (August 2012). Tobacco-Related Threats and Smoking Behaviors: Conveying Risk and Threat Messages through Graphic Print Ads. Paper presented at the 12th International Congress of Behavioral Medicine, Budapest, Hungary.
- *Skorek, M. & Song, A.V. (May 2012). Framing Smoking As A Risk Or A Threat In Anti-Smoking Campaigns, 15th World Conference on Tobacco and Health, Singapore.
- *Epperson, A. E. R., Song, A. V., & Wallander, J. (April 2012). Both weight status and body perceptions explain weight loss behavior in ethnically diverse adolescents. Poster presentation at the 33rd Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, New Orleans, LA.
- *Loewen, S. M., Huang, J., Butler, M., & Song, A. V. (April 2012). *Perceptions of sex related consequences: Prevalence estimates across reference points*. Poster presented at the 92nd annual meeting of the Western Psychological Association, San Francisco, CA.
- *Loewen, S. M. & Song, A. V. (January 2012). *Perceptions of sexually transmitted diseases (STDs) and unintended pregnancy: Changes in prevalence estimates across anchored reference points*. Poster presented at the 13th annual meeting of the Society for Personality and Social Psychology, San Diego, CA.
- *Corona, R., & Hoyt, A. M. (2012). Subjective and objective sleep quality in men with prostate cancer. Presented at the Annual Meeting of the Society of Behavioral Medicine, New Orleans, LA.
- *Wally, C., & Hoyt, A. M. (2012). Blockage of life goals following prostate cancer: Relationships to sexual functioning and psychological distress. Presented at the Annual Meeting of the Society of Behavioral Medicine, New Orleans, LA.
- *Buchholz, E., & Cameron, L.D. (2012) Health disparities in foster children: Social support mediates violent and sexual behavior. Presented at the Annual Meeting of the American Public Health Association, San Francisco, CA.
- *Durazo, A., & Song, A. (2012). Is Hispanicity too heterogeneous to be one group? Presented at the Annual Meeting of the American Public Health Association, San Francisco, CA.
- *Clifton, J., & Depaoli, S. (2012, April). *The Impact of Prior Distributions on Categorical Latent Variable Models*. Poster presented at the annual meeting of the Western Psychological Association, San Francisco, CA.
- Depaoli, S., & *Clifton, J. (2012, August). *Bayesian Specification of Latent Class Analysis and the Impact of Prior Distributions*. Paper presented at the annual meeting of the American Psychological Association, Orlando, FL.
- *Epperson, A.E., Song, A.V., & Wallander, J.L. (Apr, 2012). *Both weight status and body perceptions explain weight loss behavior in ethnically diverse adolescents*. Paper presented at the 33rd Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, New Orleans, LA.
- *Fradkin, C., & Wallander, J.L. (Apr, 2012). *Racial/ethnic disparities in obesity among minority adolescents may exist independently of socioeconomic factors*. Paper presented at the 33rd Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, New Orleans, LA.
- *Scott, S. & Wallander, J. (Apr, 2012). *Positive personal, family, and social characteristics protect low SES children from reduced quality of life*. Paper presented at the 33rd Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, New Orleans, LA.

- *Scott, S. & Wallander, J. (Apr, 2012). *Low SES and protective factors on children's quality of life*. Paper presented at Western Psychological Association 92nd Annual Convention, San Francisco, CA.
- *Fradkin, C., & Wallander, J.L. (Jul., 2012). *Racial/ethnic disparities in obesity among minority adolescents in the United States may exist independently of SES*. Paper presented at the International Conference on Child and Adolescent Psychopathology, London, United Kingdom.
- *Fradkin, C, & Wallander, J (Aug, 2012). *Racial/ethnic disparities in obesity among minority adolescents in the United States may exist independently of socioeconomic factors*. Paper presented at the International Congress of Behavioral Medicine, Budapest, Hungary.
- *Citkovicz, M., & Vevea, J. L. (2012, June). *A beta density weight function for modeling publication bias: Model assessment*. Paper presented at the annual meeting of the Society for Research Synthesis Methodology, Aix-en-Provence, France
- *Castaneda, R. Edmondson, C. (2011). *Thinking About Anger: Legitimacy as an appraisal differentiates between anger and guilt*. Poster presented at the annual Western Psychological Association. Los Angeles, CA. Poster Presentation.
- Immekus, J., *Castaneda, R., Ayala, D., Law, K., (2012). *Establishing a Regional Research Agenda on the Implementation of Positive Behavior Supports across CA Central Valley Schools*. Poster presented at the annual DPELS colloquium. California State University, Fresno. Conference Presentation.

2013

- *Epperson, A. E., Song, A. V., & Wallander, J. L. (March 2013). *Understanding weight loss attempts and body image perceptions among African American, Latino, and White children*. Poster presentation at the 34th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, San Francisco, CA.
- *Loewen, S. M., Butler, M., & Song, A. V. (March 2013). *Perceptions of contracting sexually transmitted infections (STIs) among low and high risk sexual behavior individuals predicts testing intentions*. Poster presented at the 34th Annual Meeting of the Society of Behavioral Medicine, San Francisco, CA.
- Clifton, J. P., *Loewen, S. M., Depaoli, S., & Song, A. V. (March 2013). *Characterizing smoking cessation maintenance among former smokers: A latent class analysis*. Poster presented at the 34th Annual meeting and scientific sessions of the Society of Behavioral Medicine, San Francisco, CA.
- *Mendiola, J., & Song, A. V. (January 2013). *Life after coerced-sex experiences: The role of self-efficacy and hopelessness in contraceptive use*. Poster presented at the 14th Annual Meeting of Society for Personality and Social Psychology, New Orleans, LA.
- *Reschke, P., Walle, E. A., Campos, J. J., & Camras, L. (2013, April). *The development of infant differential behavioral responding to discrete emotions*. Poster presented at the Society for Research in Child Development Conference, Seattle, WA
- *Corona, R., Hoyt, A. M., & Depaoli, S., (2013). *Sleep quality, coping processes, and quality of life in men with prostate cancer*. Presented at the Annual Meeting of the American Psychology Oncology Society, Huntington Beach, CA.
- *Scott, S., Wallander, J., & Depaoli, S. (2013, March). *Gender Identification Is Associated with Health-Related Quality of Life Differently among White, African American, and Hispanic Youth*. Paper presentation at the annual meeting of the Society of Behavioral Medicine.

- *Clifton, J., Loewen, S., Depaoli, S., & Song, A. V. (2013, March). *Characterizing Smoking Cessation Maintenance among Former Smokers: A Latent Class Analysis*. Paper presentation at the annual meeting of the Society of Behavioral Medicine.
- *Boyajian, J. G., Shadish, W. R., & Depaoli, S. (2013, April). *Bayesian Estimation of Autocorrelation in Single Case Designs*. Paper presentation at the annual meeting of the American Educational Research Association, San Francisco, CA.
- *Boyajian, J. G., & Depaoli, S. (2013, August). *Performance of Bayesian and Frequentist Logistic Growth Curve Models*. Paper presentation at the annual meeting of the American Psychological Association, Hawaii.
- *Bunce, J. P., & Scott, R. M. (2013, April). *Finding meaning in a noisy world: Can 3-year-olds use cross-situational observation to learn nouns in challenging environments*. Poster presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- *Scott, S. M., Wallander, J. L., & Depaoli, S. (March, 2013). *Gender role orientation is associated with health-related quality of life differently among White, African American, and Hispanic youth*. Paper presented at the 34th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, San Francisco..
- *Fradkin, C. & Wallander, J. L. (March, 2013). *Physical activity provides differential protection against obesity risk Among African American, Hispanic, and White youth during early adolescence*. Paper presentation at 34th Annual Meeting and Scientific Sessions of Society of Behavioral Medicine, San Francisco.
- *Epperson, A. E., Song, A. V., & Wallander, J. L. (March 2013). *Understanding weight loss attempts and body image perceptions among African American, Latino, and White children*. Paper presentation at 34th Annual Meeting and Scientific Sessions of Society of Behavioral Medicine, San Francisco.
- *McDade-Montez, E., Wallander, J.L., Zurbriggen, E., & Cameron, L. (April, 2013). *From sweethearts to stalkers: Analysis of sexualization in Latina girls' media*. Paper presented at the Biennial Meeting of the Society for Research on Child Development, Seattle.
- *McDade-Montez, E., & Wallander, J.L. (April, 2013). *TV viewing, involvement, parental mediation, and mental well-being among Latino, African American, and Caucasian children*. Paper presented at the Biennial Meeting of the Society for Research on Child Development, Seattle.
- *Agerup, T, Wallander, J., & Lydersen, A. (April, 2013). *The longitudinal course of depression from adolescence to young adulthood: Examination of patterns and parental risk factors*. Paper presented at the Biennial Meeting of the Society for Research on Child Development, Seattle.
- *Fradkin, C. & Wallander, J. L. (July, 2013). *Physical activity provides protection against obesity risk differentially across gender and racial/ethnic groups during early adolescence*. Paper presented at 8th International Conference on Child and Adolescent Psychopathology, London, UK.

2014

- *Epperson, A. E., Song, A. V., & Wallander, J. L. (May 2014). *Do Pubertal Status and Body Perception Influence Patterns of Weight Loss Across Time?* Poster presentation at the 26th Annual Convention for the Association for Psychological Science meeting, San Francisco, CA.
- *Epperson, A. E., Song, A. V., & Wallander, J. L. (April 2014). *Body Perception and Weight Loss Behavior Differences Among African American, Latino, and White Adolescents*. Poster presentation at the

- 35th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, Philadelphia, PA.
- *Mendiola, J., & Song, A. V. (April 2014). *Cognitive and affective perceptions of sexual risk behavior*. Poster presented at the 35th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, Philadelphia, PA.
- *Mendiola, J., *Loewen, S. M., Alexander, C. B., McClure, S., & Song, A. V. (February 2014). Condom use in romantic and causal relationships: Adolescent's perception of risk and worry over sexually transmitted infections. Poster presented at the 15th Annual Meeting of Society for Personality and Social Psychology, Austin, TX.
- Walle, E. A., Campos, J. J., & *Reschke, P. J. (2014, July). Joint visual attention and gesturing following the onset of infant walking: Possible relations with language development. Paper presented at the International Conference on Infant Studies, Berlin, Germany.
- Walle, E. A., *Reschke, P., Campos, J. J., & Camras, L. (2014, July). The development of infant differential behavioral responding to discrete emotions. Paper presented at the International Conference on Infant Studies, Berlin, Germany.
- *Reschke, P., Walle, E. A., Camras, L., & Campos, J. J. (2014, July). The development of infant functional affective responding. Poster presented at the International Conference on Infant Studies, Berlin, Germany.
- Grahe, E. J., Campbell, E., Morgan, B., Souza, M., & *Corona, R. (2014). Psi Chi session: Graduate school is daunting. Let us help with that. Presented at the Annual Meeting of the Western Psychological Association, Portland, OR.
- *Rus, H. M. (2014). Latent class analysis of self-management behavior among diabetics in the National Health and Nutrition Examination Survey. Presented at the Annual Meeting of the Society of Behavioral Medicine, Philadelphia, PA.
- *Wally, C. M., & Cameron, L. D. (2014). A randomized-controlled trial of social norms to increase physical activity. Presented at the Annual Meeting of the Society of Behavioral Medicine, Philadelphia, PA.
- *Rus, H. M., Cameron, L. D. (2014). Health communication in social media: Elements of engaging messages. Presented at the Annual Meeting of the Association for Psychological Science, San Francisco, CA.
- *Buchholz, E., & Cameron, L. D. (2014) Physical contact's role in attachment and alcohol use. Presented at the Annual Meeting of the Association for Psychological Science, San Francisco, CA.
- *Wally, C. M. (2014). Restorative benefits of nature. Invited talk given at the Excellence in Health Yosemite Retreat, Wawona, Yosemite National Park, CA.
- *Scott, S., Depaoli, S., & Wallander, J. (2014, April). *How do Anxiety and Physical Activity Levels Impact Depressed Mood across Adolescent Development?* Poster presented at the annual meeting of the Western Psychological Association, Portland, OR.
- *Clifton, J., & Depaoli, S. (2014, April). *A Bayesian Approach to Multilevel Structural Equation Modeling with Continuous and Dichotomous Outcomes*. Paper presentation at the annual meeting of the American Educational Research Association, Philadelphia, PA.

- *Boyajian, J. G., Depaoli, S., & Shadish, W. R. (2014, April). *Bayesian Estimation of the Autocorrelation in Single Case Designs: A Multilevel Extension*. Paper presentation at the annual meeting of the American Educational Research Association, Philadelphia, PA.
- *Clifton, J. P., & Depaoli, S. (2014, July). *A Bayesian Approach to Multilevel Structural Equation Modeling with Continuous and Dichotomous Outcomes*. Poster presented at the biennial meeting of the European Association of Methodology, Utrecht, The Netherlands.
- *Bunce, J. P. & Scott, R. M. (2014, July). *Eye gaze supports 2-year-olds' use of cross-situational information in verb learning*. Poster presented at the 19th International Conference on Infant Studies, Berlin, Germany.
- *Roby, E., & Scott, R. M. (2014, July). *What influences early false-belief understanding? Parental mental-state talk and 2.5-year-olds' understanding of false belief*. Poster presented at the 19th International Conference on Infant Studies, Berlin, Germany.
- *Grote, K., Scott, R. M., & Gilger, J. (2014, May). *Early Cognitive Bilingual Benefits: Visual-Spatial Memory and Executive Functioning*. Poster presented at the 26th Annual Convention of the American Psychological Society, San Francisco, CA.
- *Da Paz, N. S. & Scott, R. M. (2014, February). *Training Question-Asking Behavior in Children with Autism Spectrum Disorders*. Poster presented at the Association for Behavioral Analysis International's 8th Annual Autism Conference, Louisville, KY.
- Bastien, M., Khislavsky, A.L., Altman, M.N.,* Castillo, A., Lara, K., & Gilger, J. *Effects of Social Ostracism on Attentional Function in Healthy Adults*. Poster Presented at 26th annual meeting of the Association for Psychological Science, San Francisco, CA, May, 2014
- *Grote, K.S., Scott, R. & Gilger, J.W. *Early Cognitive Bilingual Benefits: Visual-Spatial Memory and Executive Functioning*. Poster Presented at 26th annual meeting of the Association for Psychological Science, San Francisco, CA, May, 2014
- *Ofamen, V., Altman, M., & Gilger, J. *Childhood Parenting Experiences Influence Moral Attitudes in College Students*. The 15th annual meeting of the Society for Personality and Social Psychology, February 2014, Austin, TX
- *Scott, S., Depaoli, S., & Wallander, J. L. (2014, April). *Do physical activity levels impact depressed mood across adolescence?* Paper presented at the 94th Annual Meeting of the Western Psychological Association, Portland, OR.
- *Epperson, A. E., Song, A. V., & Wallander, J. L. (April 2014). *Body perception and weight loss behavior differences among African American, Latino, and White adolescents*. Paper presented as the 35th Annual Meeting and Scientific Sessions of Society of Behavioral Medicine, Philadelphia, PA.
- *Fradkin, C. & Wallander, J. L. (2014, April). *Are Diet and Physical Activity Associated With Obesity in Early Adolescence?* Paper presented at 35th Annual Meeting and Scientific Sessions of Society of Behavioral Medicine, Philadelphia, PA.
- *Fradkin, C. & Wallander, J. L. (2014, April). *Are Diet and Physical Activity Associated With Obesity in Early Adolescents?* Paper presentation at UC Global Health Day, UC Davis, Davis, CA
- *Epperson, A. E., Song, A. V., & Wallander, J. L. (May 2014). *Do Pubertal Status and Body perception influence patterns of weight loss across time?* Paper presented at the Association for Psychological Science meeting, San Francisco, CA.

- *Zelinsky, N. A. M. & Shadish, W. R. (2014). Choice-Making on Challenging Behaviors in People with Disabilities: A Meta-Analysis. Poster presented at the Association for Psychological Science Conference, San Francisco, CA.
- *Castaneda, R., Vevea L. J., Flinspach S. L., & Scott, J. A (2014, May). Using a vocabulary measure as a diagnostic tool for knowledge monitoring. Poster session presented at American Psychological society 26th Annual Convention; 2014 May 25; San Francisco, CA. Poster.
- *Castaneda, R. (2014, May). Turning a measure of vocabulary depth into a diagnostic instrument for metacognitive-monitoring. Poster session presented at American Psychological society 26th Annual Convention; 2014 May 26; San Francisco, CA. Poster.
- *Coburn, K. M. & Roby, E. (2014, May). Social cognition and the visually impaired: A meta-analysis. Poster presented at the Association for Psychological Science Annual Convention, San Francisco, CA.
- *Coburn, K. M. & Roby, E. (2014, March). Social cognition and the visually impaired: A meta-analysis. Poster presented during Research Week at University of California, Merced, CA.
- Flinspach, S.L., *Castaneda, R., Vevea, J.L., & Scott, J.A. (2014). Exploring bilingual students' performance overall and on cognate words in a large-scale multidimensional vocabulary test. Annual meeting of the American Educational Research Association. Philadelphia, PA. Paper Presentation.
- *Castaneda, R. (2014, May). The relationship between knowledge-monitoring and test performance: A meta-analysis. Poster session presented at American Psychological society 26th Annual Convention; 2014 May 25; San Francisco, CA. Poster.

2015

- *Mendiola, J., Tiemensma, J., Gonzalez, M., & Song, A. V. (November 2015). *Effects of socioeconomic status on sexual risk behaviors among Hispanic and non-Hispanic young adults*. Poster presentation at the 143rd Annual Meeting and Exposition of the American Public Health Association, Chicago, IL.
- Gonzalez, M., *Mendiola, J., Song, A. V., Dias-Rios, L., & Modayil, M. (November 2015). *Unfavorable eating patterns among Mexican-identified Californians: Stratifying by nativity is crucial to understanding generational differences*. Poster presentation at the 143rd Annual Meeting and Exposition of the American Public Health Association, Chicago, IL.
- Gonzalez, M., *Mendiola, J., Song, A. V., Dias-Rios, L., & Modayil, M. (November 2015). *Social determinants of physician care utilization vary by generational status for Mexican-identified Californians*. Poster presentation at the 143rd Annual Meeting and Exposition of the American Public Health Association, Chicago, IL.
- *Mendiola, J. & Song, A. V. (February 2015). "Cognitive And Affective Assessments Of Sexually Transmitted Infections In Casual Relationships." Poster presentation at the 16th Annual Meeting of the Society for Personality and Social Psychology, Long Beach, CA.
- *Loewen, S. & Song, A. V. (February 2015). *What About My Friends? Individuals' Perceptions Of Prevalence Of Sexually Transmitted Infections Across Social Groups And Their Relation To Condom Use Intentions*. Poster presentation at the 16th Annual Meeting of the Society for Personality and Social Psychology, Long Beach, CA.
- *Skorek, M., & Song, A. V. (March 2011). The underlying differences of threat and risk. Paper presented at the 91st Annual Convention of the Western Psychological Association, Los Angeles, CA.

- Wiebe, D.J., Berg, C.A., *Baker, A., & Stump, T. (2015, April) Managing type 1 diabetes in late adolescence: Individual and daily fluctuations in goal regulation. Paper presented at Annual Meeting of the Society of Behavioral Medicine, San Antonio, TX.
- *Mello, D., Wiebe, D. J., Berg, C. A. Maternal Shift and Persist Coping, Low SES, and Adolescent Type 1 Diabetes Management (2015, April). Poster presented at the 36th Annual Meeting of the Society of Behavioral Medicine, San Antonio, TX.
- Walle, E. A., *Reschke, P. J., Campos, J. J., & Camras, L. (2015, July). The development of infant responding to discrete emotions: Differential responses in 16- and 24-month-old infants. Paper presented at the International Society for Research on Emotion, Geneva, Switzerland.
- *Reschke, P., Walle, E. A., & Flom, R. (2015, July). Infant understanding of the causes of emotions: Evidence among 12-month-olds. Poster presented at the International Society for Research on Emotion Conference, Geneva, Switzerland.
- *Reschke, P., Walle, E. A., Camras, L., & Campos, J. J. (2015, March). Adult recognition of infant behavioral responding to discrete emotions. Poster presented at the Society for Research on Child Development Biennial Meeting, Philadelphia, PA.
- Tiemensma, J. (Presenter & Author), *Rus, H. M. (Author), Annual Conference of the International Society of PsychoNeuroEndocrinology, "The inhibitory effect of Facebook use on stress recovery: a pilot study," Edinburgh, Scotland, Poster Presentation. (September 2015).
- *Rus, H.M. (Presenter & Author), Tiemensma, J. (Author), American Psychological Association, "Social Media Use and Health: Can Facebook Promote Recovery from Stress?", Toronto, Canada, Poster Presentation. (August 2015).
- *Trebeau Crogman, M. (Presenter & Author), Epperson, A.E. (Author), Tiemensma, J. (Author), American Psychological Society, "Body satisfaction and size may not be associated with depression among racially/ethnically diverse urban and rural youth", New York, NY, USA, Poster Presentation. (May 2015).
- *Rus, H.M. (Presenter & Author), Tiemensma, J. (Author), Society of Behavioral Medicine, "Social Media Use and Health: Can Facebook Promote Recovery from Stress?", San Antonio, TX, USA, Rapid Communication Poster Presentation. (April 2015).
- *Trebeau Crogman, M. (Presenter & Author), Epperson, A.E. (Author), Tiemensma, J. (Author), Society of Behavioral Medicine, "Body satisfaction and size may not be associated with depression among racially/ethnically diverse urban and rural youth", San Antonio, TX, USA, Rapid Communication Poster Presentation. (April 2015).
- *Rus, H.M. (Presenter & Author), Tiemensma, J. (Author), International Convention of Psychological Science, "The effect of Facebook use on stress recovery: a pilot study", Amsterdam, The Netherlands. Poster Presentation. (March 2015).
- *Felt, J.M. (Presenter & Author), Depaoli, S.A. (Author), Pereira, A.M. (Author), Biermasz, N.R. (Author), Tiemensma, J. (Author), International Convention of Psychological Science, "Using novel confirmatory statistical methods to compare scoring options of the acromegaly quality of life (AcroQoL) questionnaire", Amsterdam, The Netherlands. Poster Presentation. (March 2015).
- *Felt, J.M.(Presenter & Author), Depaoli, S.A. (Author), Pereira, A.M. (Author), Biermasz, N.R. (Author), Tiemensma, J. (Author), Annual Meeting of the Endocrine Society, "Using novel confirmatory

- statistical methods to compare scoring options of the acromegaly quality of life (AcroQoL) questionnaire", San Diego, CA, USA. Oral 'Featured Poster' Presentation. (March 2015).
- *Felt, J.M. (Presenter & Author), Depaoli, S.A. (Author), Pereira, A.M. (Author), Biermasz, N.R. (Author), Tiemensma, J. (Author), Annual Meeting of the Endocrine Society, "Using novel confirmatory statistical methods to compare scoring options of the acromegaly quality of life (AcroQoL) questionnaire", San Diego, CA, USA. Poster Presentation. (March 2015).
- *Trebeau Crogman, M. (Presenter & Author), Epperson, A. E. (Author), Tiemensma, J. (Author), Abstract and Art, "Body satisfaction and size may not be associated with depression among racially/ethnically diverse urban and rural youth," Research Week, UC Merced, Merced, CA, USA. Poster Presentation. (March 2015).
- *Rus, H. M. (Presenter & Author), Tiemensma, J. (Author), Psychology Symposium, "The effect of Facebook use on stress recovery: a pilot study," Research Week, UC Merced, Merced, CA, USA. Oral Presentation. (March 2015).
- *Felt, J. M. (Presenter & Author), Depaoli, S. A. (Author), Pereira, A. M. (Author), Biermasz, N. R. (Author), Tiemensma, J. (Author), Psychology Symposium, "Using novel confirmatory statistical methods to compare scoring options of the acromegaly quality of life (AcroQoL) questionnaire," Research Week, UC Merced, Merced, CA, USA. Oral Presentation. (March 2015).
- *Buchholz, E., & Cameron L. D. (2015) Mindfulness and Attachment Style as Predictors of Social Motives for Alcohol Use. Presented at the Annual Meeting of the Society of Behavioral Medicine, San Antonio, TX.
- *Khachikian, T., & Cameron, L. D. (2015). Parental risk perceptions of marijuana use and their children. Presented at the Annual Meeting of the Society of Behavioral Medicine, San Antonio, TX.
- *Durazo, A., & Cameron, L. D. (2015). Diabetes risk representations as predictors of protection motivations and behavior. Presented at the Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, San Antonio, TX.
- *Khachikian, T. (2015). Parenting practices as protective factor of adolescent substance use. Presented at the University of Southern California, School of Social Work Colloquium, Los Angeles, CA.
- *Khachikian, T., & Cameron, L. D. (2015). Parental marijuana use and perceived risk of adolescent marijuana use as predictors of attitudes about legalization. Presented at the Annual Meeting of the Addiction Health Services Research, Marina del Rey, CA.
- *Wally, C. M. (2015). Get out! The benefits of interacting with nature. Presented at the Building a Culture of Health in the Central Valley Symposium, University of California, Merced, Merced, CA.
- *Wally, C. M., & Carroll, P. (2015). Biophilic design: A health innovation. Presented at the Health Science Research Institute's Translational Research Symposium, University of California, Merced, Merced, CA.
- *Wally, C. M., & Depaoli, S. (2015). Intrinsic motivation partially mediates self-control and exercise. Presented at the Annual Meeting of the Society for Personality and Social Psychology, Long Beach, CA.
- *Mendiola, J., Zawadzki, M. J., & Gerin, W. (June 2015). A multilevel approach to modeling social interactions, positive affect, and blood pressure in daily life. Paper presented at the biennial meeting of the Society for Ambulatory Assessment, State College, PA.

- Zawadzki, M. J., *Mendiola, J., & Gerin, W. (June 2015). Valence and arousal in daily life differentially predict ambulatory blood pressure. Paper presented at the biennial meeting of the Society for Ambulatory Assessment, State College, PA.
- *Felt, J., Depaoli, S., Pereira, A., Biermasz, N., & Tiemensma, J. (2015, March). *Using Novel Confirmatory Statistical Methods to Compare Scoring Options of the Acromegaly Quality of Life (AcroQoL) Questionnaire*. Paper presented at the annual Psychological Sciences research symposium, Merced, CA.
- *Clifton, J. P., & Depaoli, S. (2015, March). *A Primer on the Implementation of Bayesian Multilevel Structural Equation Modeling*. Paper presented at the annual Psychological Sciences research symposium, Merced, CA.
- *Yang, Y., & Depaoli, S. (2015, March). *Bayesian Growth Curve and Growth Mixture Modeling: Simulation and Application*. Poster presentation at UC Merced's Psychology Symposium, Merced, CA.
- *Clifton, J., & Depaoli, S. (2015, March). *The Impact of Prior Distributions in Multilevel Structural Equation Modeling*. International Convention of Psychological Science, Amsterdam, The Netherlands.
- *Felt, J., Depaoli, S., & Tiemensma, J. (2015, March). *Examining the Psychometric Properties of the Acromegaly Quality of Life Scale*. International Convention of Psychological Science, Amsterdam, The Netherlands.
